FROM THE CHIEF OF POLICE

As the warmer weather arrives, please be attentive to children and pedestrians while driving. The Police Department continues to respond to thefts from unlocked vehicles. By simply locking your car doors, you can assist the Police Department in reducing theft. Even if you do not think it is an emergency, never hesitate to call 9-1-1 to report any suspicious activity.

POOL ADDS FEATURES & LESSONS FOR TOTS

The Nor-Gwyn Pool 2015 season will debut a completely upgraded Tot Pool and introduce a proven swim instruction program that will include our younger members. The new Tot Pool enhancements include a zero depth entry area to help little ones safely enter the water, a spray feature and a rain structure for entertainment, and new pool surfacing and decking.

Our new swim instruction program is a results oriented, proven program offered by The University of Swimming. Toilet trained tots are included in the beginner level of this instruction program, which focuses on teaching techniques of self-rescue to the very young.

More advanced instruction levels teach strokes, breathing, endurance, etc. Swim instruction will be offered in 3 two week sessions of up to 60 minutes each beginning July 2nd from 9-11 am. Membership is no longer required to participate in the instruction program. Registration and additional information can be found at USwim1.com.

Additional enhancements this season include the return of water basketball and a new barcode badge access system designed to increase security and reduce fraud. All members will receive a new barcoded badge this year as part of the initialization of the system.

The double flume slide and WIBIT inflatables continue to provide amusement for users and spectators alike! The 54 foot obstacle course and two deep water attractions return this year. Additional activities include dive lessons, competition training with Nor-Gwyn Aquatics Club, beach volleyball, GAGA, and tetherball. Our traditional July 4th celebration is a festive day of pie-eating contests, gold fish catch, egg toss, swim relays, WIBIT races, and more.

Pooch Plunge, held annually the Saturday after Labor Day, is a day for dogs. Admission fees, vendor contributions, and donations all go to area animal shelters.

A variety of membership levels are available. Whether you plan on attending frequently or just evenings and weekends, there is a membership level that will suit your needs. Once again, this year there will be **NO** increase in membership fees. 🐾

Opening
Day is
Saturday,
May 23, 2015
at noon

Programs & Offerings:

Swim and dive instruction is offered weekday mornings until 11:30. Go to www.nor-gwynpool.com or call 215-699-5111 for details.

Those interested in competitive swimming are invited to join the Nor-Gwyn Aquatics Club (www.norgwynswim.com). The facility is also available for parties with rates on an hourly basis.

Membership & Registration:

Membership rates include Individual, Family, and Senior. Membership levels include Full and Twilight. Register at www.nor-gwynpool.com or pick up an application at Upper Gwynedd or North Wales Municipal Buildings. Walk-in registration is available during pool hours.

The Pool Commission looks forward to enjoying the summer with you again this year!

WELCOME, ALEX KAKER, NEW DIRECTOR OF PARKS & RECREATION

Following the recent departure of the Township's Parks and Recreation Director GlennAnne Chabala, the Township has hired her replacement. The Township is very happy to introduce Alex Kaker as the new Parks and Recreation Director. Mr. Kaker was previously hired by Upper Gwynedd Township in October of 2014 as a part-time Assistant Parks and Recreation Director. The Township is very excited to have Alex as the full-time Director of Parks and Recreation.

Mr. Kaker graduated from the University of Wisconsin-La Crosse with a Bachelor of Science degree in Recreation Management and minor in Psychology. He began his career in Wisconsin with the Village of Holmen as a Recreation Supervisor. After spending some time in California with the Chico Area Recreation District, he moved on to the City of South Jordan, Utah to work as a Recreation Program Coordinator. He is nationally certified as a Park and Recreation Professional and as a Youth Sports Administrator. His wife, Jenna, was accepted to Temple University's School Psychology Ph.D. program, and they moved to the Philadelphia area in the summer of 2014.

NOR-GWYN BASEBALL & SOFTBALL OPENING DAY APRIL 11TH

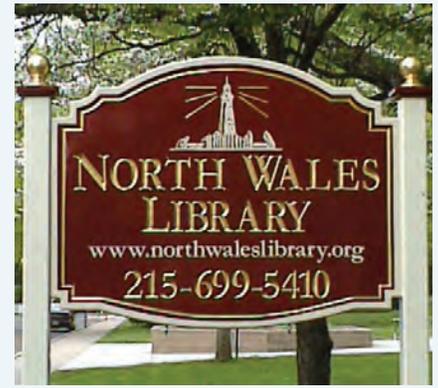

The 2015 Nor-Gwyn season begins on Saturday, April 11 with several Baseball, Softball, and T-Ball games. The annual Opening Day player parade and ceremony will immediately precede the games at 10:30 am sharp. The ceremony will be held at the Nor-Gwyn Complex on Hancock Road in Upper Gwynedd Township. Everyone is invited to come out to celebrate the start of the new season.

The ceremony will include remarks by Nor-Gwyn officials and presentations of the Ben Hostelley Scholarship, Larry Meyers Coach-of-the-Year, and the first-ever Volunteer award. State and local government officials are expected to be on-hand. The ceremony also includes the traditional First Baseball AND Softball Pitches.

All Nor-Gwyn Baseball and Softball players and coaches are invited to participate in the ceremony by assembling behind the Bachman-Jasinski Field outfield fence in full uniform promptly at 10:15 am. Players and coaches will line-up and parade onto the field by team to start the ceremony.

The rain date for the ceremony is Sunday, April 12 at 12:15 pm. If weather or field conditions require postponement, a message will be posted on the Nor-Gwyn answering service (267-217-2567) after 9:30 am.

UPPER GWYNEDD DESIGNATES NORTH WALES AREA LIBRARY

At the January 2015 Board of Commissioners meeting, the North Wales Area Library (NWAL) was designated as the official Library of Upper Gwynedd Township. This designation follows a detailed review of the demographic use of the NWAL. This review revealed that most Upper Gwynedd residents who use library services are utilizing the NWAL more commonly than any other Library in the County. With Upper Gwynedd's designation the NWAL will receive Commonwealth of Pennsylvania funding that it did not previously receive.

Upper Gwynedd residents should know that by joining this Library they not only receive access to this Library but they are also permitted access to the Montgomery County Library in Norristown and any other Library within the Pennsylvania Library System.

The North Wales Area Library is located at 233 South Swartley Street in the Borough of North Wales. Our Township Newsletter frequently contains information on events and program offerings (*Please see page 8 for these details*).

INDUSTRIAL DEVELOPMENT AUTHORITY

The Industrial Development Authority (IDA) donated \$15,000 to be used by the Township to fund two emergency service radios for the Police Department, to install magnetic locks in the concession building bathrooms for the Parks and Recreation Department, and to partially fund recommended website upgrades for the Administration Department.

The Upper Gwynedd Township IDA assists 501(c)3 organizations in borrowing money for capital projects at discounted interest rates. Anyone knowing a 501(c)3 organization that is looking to raise capital via a borrowing, should refer that organization to the Upper Gwynedd IDA via Township Manager Len Perrone. 🌿

THUNDER AND LIGHTNING SAFETY FROM THE EMERGENCY MANAGEMENT COORDINATOR

With the coming summer season, there will be thunderstorms that move through our area. Each year in the United States, approximately 600 people are injured by lightning strikes and on average 51 people are killed from direct strikes. In addition, countless other victims suffer from indirect causes such as fires and fallen trees. Remember: *When Thunder Roars, Go Indoors!* Additional lightning safety information can be found at www.lightningsafety.noaa.gov. Please review this important safety information to protect you and your family when thunderstorms occur:

LIGHTNING CAN STRIKE UP TO 10 MILES FROM A STORM CELL.

Indoor Safety

- Turn off computers. Stay off corded phones, computers, and other things that put you in direct contact with electricity. You can use a cell or cordless phone.
- Wait at least 30 minutes after you hear the last clap of thunder before leaving your shelter.
- Do not come in direct contact with plumbing. Do not wash your hands, bathe, shower, or wash laundry or dishes.
- While inside, stay away from windows and doors and off porches.
- If a person is struck by lightning, call 911 and get medical assistance right away.

Outdoor Safety

- If you can hear thunder, you are within striking distance of lightning. Look for shelter inside a home, large building, or hard topped vehicle immediately.
- Do not go under trees for shelter. There is no outside place that is safe during a thunderstorm.

PUBLIC WORKS ANNOUNCEMENTS

Trees within the Public Street Right-of-Way

Public Works' crews have noticed that there are property owners who have trees protruding into the Township's Roadway. Tree limbs are a problem during paving operations and snow plowing operations as well as a serious problem for emergency vehicles. The Township requires that property owners trim any trees that extend beyond the house side of the sidewalk. At a minimum trees should be trimmed even with the back of the curb line and/or beyond the edge of the black top where curbs do not exist.

No Dumping in Open Space

Open Space is defined as a parcel or parcels of land, an area of water or a combination of land and water within a development site designed and intended for the use of Township residents for the purpose of passive recreation (i.e. bird watching and hiking).

Public Works crews have noticed that property owners are disposing leaf and yard waste along with other materials in Open Space areas.

According to Section 127-3 of the Township Code this is considered a nuisance and requires remedial action. This can also require payment to the Township for incurred expenses, violations, and penalties. 🌿

EVANS-MUMBOWER MILL PROGRAMS

WISSAHICKON VALLEY
WATERSHED AUTHORITY (WVWA)

Owned by the Wissahickon Valley Watershed Association, the Mill dates back to the 19th century and is listed on the National Register of Historic Places. It is the only fully operational water-powered gristmill in Montgomery County, PA. Come visit and feel the excitement of rumbling stones, hear the splash of water over the wheel, and witness the cornmeal as it spills down a chute and into a barrel below. Open Houses feature the operational water wheel, grindstone, and other related activities. The Mill is located at Swedesford and Township Line Roads in Upper Gwynedd Township.

Yankee Stadium

The NY Yankees holds an annual "Old Timer's Day" to honor Yankees greats of the past. The Yankees typically invite dozens of players back, sometimes more than 50, to be honored before the start of a regular season game. The Old Timer's split up into two teams and play several innings of baseball. The "game" is played for fun and is a great way for fans to see their favorite old-time players take the field. The Old Timer's game is at 4pm. Yankees vs. Tigers starts at 7pm.

YOUNG REMBRANDTS

ART CLASS

COMMUNITY BUILDING

Early Elementary Drawing

Ages 4-6

4/18-5/16, Saturdays, 9-9:45am

\$69

Spring is the perfect season for your pre-schooler's talent to blossom. We'll explore many fun subjects. Wonderful drawings of adventurous astronauts and friendly monsters will excite the imagination. We reach new heights with our hot air balloon and many nature-inspired drawings like bees and flower baskets.

Drawing

Ages 7-14

4/18-5/16, Saturdays, 10-11am

\$69

The spring season is an exciting time to be a part of Young Rembrandts. Springtime is all about vibrant colors, and our colorful drawings are guaranteed to capture your attention. Students will learn how to think outside of the box as they create stylized drawings of flowers and snails. We'll also explore historical themes with our comic book-inspired drawing and our Aboriginal-like composition.

CHESS CAMP SHINING KNIGHTS

COMMUNITY CENTER

Ages 6-13

7/27-7/31, 1-4pm

\$185

Spend a week playing and learning about chess from the Shining Knights chess coaches! Our coaches have taught tens of thousands of children to play. Many have won state and national championships. Assigned to groups by skill level, classes appeal to total beginners through advanced tournament players. Campers receive t-shirts and tournament-style chess sets. Activities include learning openings, tactics, and end games, studying master games, playing against fellow students and analyzing student games. T-shirt and chess set are provided to all campers.

BRICKS 4 KIDS LEGO CAMP

UPPER GWYNEDD

COMMUNITY CENTER

A Pirate's Quest Camp

Ages 5-12

7/20-7/24, 1pm-4pm

\$169

Shiver me timbers as we explore the popular culture behind the life of a pirate. Build a motorized pirate ship, a capstan, a helm and an anchor, as we batten down the hatches and prepare for mutiny. Protect the hands on deck by building a launching trebuchet. Beware me mateys, if it's too late, you must abandon ship and build a rowboat to escape. Anchors aweigh!

Amusement Park Camp

Ages 5-12

8/3-8/7, 1pm-4pm

\$169

Get your ticket to ride at Bricks 4 Kidz very own Amusement Park! Campers will build a new ride each day, learning how to make things spin, roll, turn and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each camp day includes carnival-themed games, group challenges, model-building and more.

KIDS CAMPS: SCIENCE
UPPER GWYNEDD COMMUNITY CENTER

Mad Science Camp
Space: Infinity and Beyond
Grades K-5th Grade
8/10-8/14, 1pm-4pm **\$149**

Students explore the mysteries of the solar system and the science behind air and space travel. Children discover not only how astronauts get into space, but also how they live and work once they get there. In this advanced space program, we will investigate unique flying machines, including building balloon-copters, boomerangs and a mini hovercraft as take home projects for the children. Most importantly, they learn first-hand about the aerodynamic properties of flying machines by building their own Estes® model rockets! Once the rockets are completed, children will blast off on a real Mad Science space mission Live Rocket Launches!

Secret Agent Lab
Grades K-5th Grade
8/24-8/28, 1pm-4pm **\$149**

Our Spy Academy will help campers sharpen your special operative skills as they learn about the Secret World of Espionage! The key to being a great spy is the ability to use science to “sniff” out your suspects and uncover secrets. We will utilize spy gear such as metal detectors, spy ears, and motion sensors to hone our skills. Unlock your spy skill as we tackle the toughest security breaches. We will “pick open” locks, sneak past a whispermeter, and create our own security system. Teams will attempt to crack through each other’s security systems and track a treasure. This Mad Science Spy Academy Camp is 00-AWESOME!

KIDS CAMPS: ENGINEERING
UPPER GWYNEDD COMMUNITY CENTER

Junior Engineers Camp
Ages 4-7
6/15-6/19, 9am-12pm **\$199**

This camp introduces our youngest engineers to various fields of engineering through fun, hands-on activities. Throughout the week, children will make their own airplanes and rockets (aerospace), and crayon art (chemical), water ice and necklaces (industrial) and more!

Momentum Madness Camp
Ages 8-12
6/15-6/19, 9am-12pm **\$199**

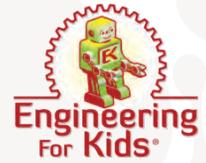

0-60 in two seconds?! How fast can an object go without compromising safety? Students in this camp will learn basics of industrial, mechanical and electrical engineering. They will work with their Pit Crew to design and build vehicles, such as dragsters and hovering levitrons, which should be able to withstand astonishing speeds. Fasten your seat belt, the race has begun!

Survivor Camp: Engineer’s Cove
Ages 8-12
6/15-6/19, 12:30-3:30pm **\$199**

Stranded on an abandoned island surrounded by darkness, cold temperatures, wild animals and other dangers. Students in this camp will join tribes and compete in various engineering-related challenges to survive and eventually escape the harsh island conditions. Electrical, aerospace and marine engineering are all introduced in this camp. Students will utilize the engineering design process to create their very own flashlights, parachutes, powerboats and more! Join us in the first ever Engineering for Kids Survivor challenge!

Science Explorers: Far Out Space Academy
Ages 7-11
6/29-7/3, 1-4pm **\$225**

3...2...1 BLAST OFF to discovering space and flight! Campers will explore the constellations as you take an out-of-this-world sky tour in our homemade planetarium, prepare for lift-off as you build and launch your own rocket while learning about Newton’s Laws of Motion, and complete a mission to Mars as you design and build your own model space station. Join us on our mission through outer space!

Junior Camp Kelvin
Ages 4-7
8/17-8/21, 9am-12pm **\$199**

Pack your bags and lace up your hiking boots engineers, because at Camp Kelvin, we are engineering designs to help us explore the great outdoors. Build a tent, design waterproof clothing, engineer your own survival pack and more! Join us for a week of fun and adventure where everyone goes home a happy camper!

Amazing Race
Ages 8-12
8/17-8/21, 9am-12pm **\$199**

Pack your bags engineers and get ready for an adventure! Team up with others for a wild ride across the globe in our Amazing Race. During this camp, students carefully engineer designs that traverse the most treacherous terrain, brave the stormiest seas, and soar above the clouds. Can your team make it all the way around the world in just a few days? Grab your passports and catch a flight straight to Engineering For Kids for a truly unbelievable journey!

Engineering Olympiad
Ages 8-12
8/17-8/21, 12:30-3:30pm **\$199**

Who has the strength to be a world-class athlete? In this camp, students will separate into counties and will compete against opposing counties in various tests of mental and creative strength. The students will earn “medals” throughout the week and will endeavor to become the next great team of Olympians. In this camp, students will build sail boats (mechanical), hovering levitrons (electrical) and more!
