Upper Gwynedd Township COMPREHENSIVE PLAN

Upper Gwynedd Township Board of Commissioners are excited to announce the recent contract with the Montgomery County Planning Commission (MCPC) to update the Township's Comprehensive Plan. A comprehensive plan is a document designed to guide the future actions of a community. It offers a vision for the future, with long-range goals and objectives for activities that affect future land use including the location, character and timing of future development.

The Township adopted its first Comprehensive Plan in 1971. The components of the plan are outlined in Article III of the Municipalities Planning Code (MPC). It is suggested that a comprehensive plan be updated every 10 years, and our last update occurred in 2004. The focus of the plan is to revisit all the relevant aspects as outlined in the MPC to provide renewed information

on our changing demographics, housing needs, parks and recreation development, the needs of the business community and more. It will establish future objectives and priorities and may offer perspectives on redevelopment, address opportunities for vacant properties and properties in transition as well as streetscape improvements, walkability and transportation issues and the protection of natural and historic resources.

The MCPC Resolution 70-3, dated March 11, 1970, established policies for local planning assistance, a cost sharing formula, and a schedule of fees and charges by which the services of MCPC's staff is offered to assist the 62 municipalities in the county. Through this cost sharing program, the Township is responsible for 50% of the total cost of the update. The process for the update will begin in September 2018.

NOTES FROM THE CHIEF OF POLICE

As winter approaches, please be aware that the police department will be increasing our efforts to have residents follow the snow emergency rules. When a snow emergency is declared, there is no parking allowed on all streets in the Township. Snow emergencies for Upper Gwynedd are announced via local media agencies and the Township's web-site and social media pages. When time permits, officers will place notice cards on cars before tickets are issued and/or cars are towed. Any questions, please call the police department at 215-699-5862.

COMPREHENSIVE PLAN

(Continued from Cover)

The projected time frame to completion is 24–30 months. Our comprehensive plan runs parallel to the Montco 2040 Vision Plan which is a generalized goal-oriented conceptual plan.

The first plan of action is to form a steering committee to include representatives from the Township's Planning Commission, Board of Commissioners, Parks & Recreation Advisory Board, as well as representatives from the business and residential community. A survey/questionnaire will be sent out to Township residents and businesses to help identify issues or concerns and establish some goals for the future. The progression of our comprehensive plan will continue forward and include public meetings to present proposals and to receive input from residents and adjacent municipalities. Please visit www.uppergwynedd.org for future updates on the comprehensive plan process.

NOR-GWYN BASEBALL AND SOFTBALL

The local summer baseball and softball season is in the books. Now, what will we do? More Baseball & Softball! Nor-Gwyn Fall Ball registration is now open. Online program registration is available for both new and returning players. Everyone can improve skills, try new fielding positions and learn to bat from both sides of the plate in a fun environment. For more information and to register, please see www.norgwynbaseball.org.

Fire Safety TIPS AND REMINDERS

Open Burning

With the fall season quickly approaching, residents are reminded that leaves are not permitted to be burned within Upper Gwynedd. Leaves may not be put into a recreational burn pit for disposal. The proper way to discard leaves is through your trash collector. Most collectors have scheduled leaf pickup times during the fall season.

Heating Unit Maintenance

Summer is the perfect time to inspect heating units and complete chimney maintenance. Heater issues occur annually and increase significantly during the fall and winter seasons. While most problems occur with oil heaters, natural gas and other heaters are not immune to fires. To keep you and your family safe, plan and prepare now for potential issues that may arise in the cold winter months.

Chimney Maintenance

Summer is the optimal time to clear chimney debris in preparation for the winter months. Wood stoves, fireplace inserts, oil burners and fireplaces all require annual cleaning. Be sure to clear creosote to prevent a potential fire this upcoming season. Many homes may have more than one chimney. Beyond cleaning and having the liner inspected, the structural integrity of the chimney should be checked for cracks. Chimney fires can spread rapidly and often burn behind the wall for some time before being noticed. Over 25,000 chimney fires a year contribute to over \$125 million dollars in damage. Beyond the monetary aspect, losing belongings and memories can take a much worse toll.

Public Works

NEW STREET LINE PAINTING MACHINE

Upper Gwynedd Township Public Works has recently purchased a street line painting machine. This will replace a 25-year old paint machine that was mounted on a 40-year old truck. The new line painting machine can be operated by one operator instead of two which saves manpower in the Public Works Department. The new machine will also save a significant amount of time while striping the 10+ miles of road and 19 intersections throughout the township. Please use caution when you see the flashing yellow lights while the line painting is performed.

Zoning & Code Enforcement REMINDERS

- Please take the time to ensure falling leaves do not block any drainage systems.
- If a working fireplace has a chimney, check for defects.
- For mechanical systems to function at their best, see that all air intake and exhaust vents are not blocked. The units should have preventive maintenance for optimum performance.
- If a resident is contemplating having work performed at their home, the State has adopted the 2015 version of all the building codes effective October 1st.

RECAP OF SUMMER EVENTS

Earth Day Tree Planting

Upper Gwynedd Township planted 11 trees in Garfield Park with various volunteer groups. With a mission to continuously create a healthy and clean environment, the Township plans to continue this tree planting for years to come. To date, this annual tree planting has resulted in over 50 trees in three township parks.

Summer Basketball League

This summer kicked off the 21st season of the Upper Gwynedd Summer Hoops League. Over 500 players across the tri-county area competed for eight weeks. Boys and girls, grades 7th–12th participated to improve skills and sportsmanship.

Summer Breeze Concert Series

The series consisted of nine free concerts, held on Wednesday evenings at 7:00pm in Parkside Place Park from mid-May through mid-July. About 100 people attended each concert. Diz's Dogs Food Truck was present at all concerts. The 2018 line-up featured groups such as Barefoot Bobby and the Breakers, Philadelphia Funk Authority and the Grease Band.

Cinema Under the Stars

This free series features three movie showings in Parkside Place Park. Attendees enjoyed free popcorn at this family-friendly outdoor experience. Movies shown were *Thor: Ragnarok*, *Indiana Jones: Raiders of the Lost Ark* and *The Incredibles*. Diz's Dogs Food Truck was present at all movies.

Night Sky Campout

During the 3rd Annual Night Sky Campout, over 200 individuals came to camp under the stars. In partnership with Keystone Fellowship, attendees enjoyed a free dinner, activities, a movie and breakfast in Parkside Place Park. Admission was the suggested donation of a non-perishable item for Manna on Main Street. This year, attendees donated a collective 358 pounds of goods for community members in need.
